### ***What does the Lion Royalty Homecoming Court represent to you? What characteristics do you possess that make you an ideal candidate for the Court?***

The Lion Royalty Homecoming Court represents leadership, spirit, and accomplishment through involvement at TCNJ. Being part of this court means being an exemplary TCNJ student who always looks out for others in the community. A characteristic I possess that makes me the ideal candidate for the Court is my altruistic nature. I am always willing to put others first before my own needs because I never take what I am given for granted. I do not take people for granted and I am always willing to put my best foot forward for others because they believe in me to do so. I am actively looking for ways to improve the campus whether it be exploring campus security, mental health services, or software infrastructure. I believe that things can always be improved and being proactive about issues is something that I truly pride myself on. Seeking areas of improvement is important to me because I always try to leave a place better than I left it and I can confidently say that I have accomplished this throughout my involvements.

### ***What is your favorite thing about TCNJ and why?***

My favorite thing about TCNJ is definitely the community that we have. When graduating high school I wasn't looking forward to college because of the tight-knit high school community that I was leaving behind. Coming to TCNJ, I was very fond of seeing that tight-knit community here as well. I am a firm believer that the place doesn't matter as much as the people and the people at TCNJ have definitely made it worthwhile. As a first-year student, it is always everyone's top concern to make friends. That was my main worry when coming to TCNJ since I never had to restart my entire life before and start completely fresh. Looking back at my time here, that was an unnecessary worry since the people here have been extremely friendly and supportive. Creating friendships has come easy to me and I appreciate everyone who contributes to the culture of kindness.
