Education & Sociology

What does the Lion Royalty Homecoming Court represent to you? What characteristics do you possess that make you an ideal candidate for the Court?

Lion Royalty Homecoming Court is for those who want to develop as leaders at TCNJ. This can be shown through leadership and passion in involvements. The characteristics that I possess that make me an ideal candidate for the Court is my work ethic, need to support, and ability to influence. Being engaged with my community has allowed me to develop as a person and I have seen much growth within myself after being involved on campus. I genuinely believe I would not have unlocked this potential elsewhere.

What is your favorite thing about TCNJ and why?

My favorite thing about TCNJ would be the ability to get involved. with the vast amount of groups everyone is able to find where they fit in. Through these connections people are able to find their home away from home, whether it's through networking in professional organizations, or making friends through interactive clubs anyone can find their place at TCNJ.
