Mindful Mini-breaks

Thrive Through Finals

Recreation & Wellness Department

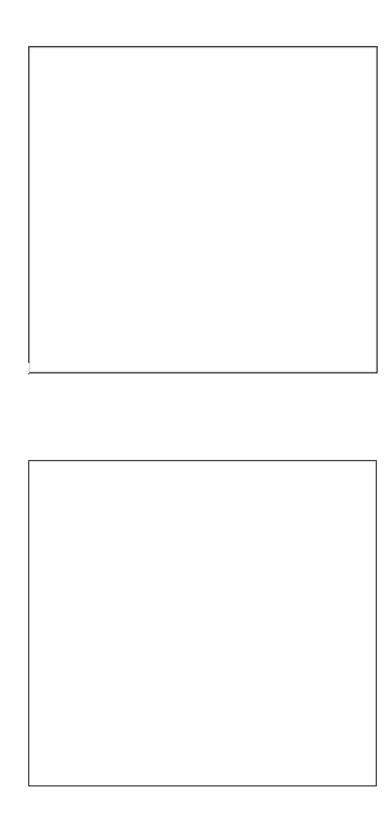

Wellness Programming

- 1. Seated & standing stretching
 - o Desk Stretches
- 2. Active movement
 - Brisk walking outdoors/indoors
 - o Take the stairs if able!
 - Count those steps
- 3. Mindfulness & Deep breathing activity
- 4. Mindful centering labyrinth activity
- Substitute "standing" with "pausing" as you use your finger
 - "Release: Begin by standing at the entrance on the edge of the labyrinth. Take some deep breaths. Gently follow the path at a pace that feels comfortable for you. Clear your mind and let go of all thoughts and cares.
 - Refresh: When you reach the center you may want to stand quietly for a few moments. Visualize yourself in a peaceful place, breathe, reflect and relax.
 - Return: When you feel the time is right, follow the path back out from the center. Bring the feelings or insights you experienced with you as you return to the world.
 - We hope you feel refreshed and ready to thrive!
 - $\circ\quad$ Text from a sign at the entrance to the Antioch Medical Center

Labyrinth in CA." - Quote taken directly from:

Gersbach J. (2008). Labyrinths Find Their Way onto Hospital Grounds as Paths to Healing. *The Permanente journal*, 12(4), 77–80. https://doi.org/10.7812/tpp/08-045

- Finger Labyrinth sourced from https://labyrinthsociety.org/download-a-labyrinth
- 5. Mindful doodling or drawing
